IMCA Board of Directors
Miami, Florida

I have reviewed the financial statements for the years 2020-2021: Balance sheet as of April 30, 2021; profit and loss statement for the year ended April 30, 2021. Additionally, I received the draft of Form 990, tax return for the year ended April 30, 2021. I was provided with various supporting documents for the Club's activities during the past year.

The financial statements which have been distributed to the Board of Directors reflect the operations of the Club supported for proper documentation.

Frank Sterdjevich has maintained good records to reflect the activities of the Club during the period. Additionally, it is worth mentioning the financial condition of the Club is good, particularly considering the difficult circumstances of the past year.

Copies of this letter to the current and past Presidents as well as Treasurer Sterdjevich for further processing as needed.

Sincerely,

Marcelo Alvarez
